## Summer Time Fun

By Dina Haleem

*July 2019*

Summer is off to such an exciting start! Between water days, park adventures, field trips, warm weather, and creative art activities, the children are enjoying themselves to the fullest. Here at Haven for Tots Daycare, we believe that children learn through play, exploration and discovery. Summer time is the best time for all of that!

## EZ care Software

Our EZ care software is now functioning entirely! We have been able to send you confirmation of your tuition receipts, update your child's tuition to reflect rate changes, classroom changes and Summer attendance. Parents can take advantage of EZ care, too! By logging into your EZ care account, you are able to view your invoice, see copies of tuition receipts, view balance due, and view your child's or children's records! All you have to do to log into your EZ Care software is go to [ezcare.com](http://ezcare.com), click "Parent Portal" and sign in using your email address! At this time, we have not activated the 'pay by card' action.

## Summer Program Events

So far, our children have witnessed magic with Mr. Faru, the magnificent magician, and have gotten their faces painted by Party Picassos, had fun in the sun with sprinklers and inflatable water slides. Other activities to look forward to include a moon house, a petting zoo and animal show, and an ice cream social!

Our Preschool and PreK classes have been out exploring the Little Red School House, ate pizza and toured the Evergreen Park bank, explored the Evergreen Park Library, learned about the post office, visit AMC Theaters, and had a picnic! Being able to observe the joy on our children's faces, and seeing them learn and grow through these experience makes these rainy days bearable and the time fly by. Summer has just begun and we can't wait to experience the rest of it!
